

ECONOMICS RESEARCH CENTRE  
DEPARTMENT OF ECONOMICS  
UNIVERSITY OF CYPRUS

- Title: Special Scientist Researcher (Masters) / Special Scientist for Research  
MSc in Economics/ Econometrics/ Econometric Modelling
- No. Of Position(s): One (1) or two (2)
- Category: Contract for one year (12 months), renewable for an additional year (up to 24 months)
- Location: University of Cyprus, Nicosia

The Economics Research Centre at the Department of Economics of the University of Cyprus accepts applications for up to two (2) full-time or part-time Special Scientists MSc positions for research in applied economics and/or econometrics and/or econometric modelling, based on a contract for 12 months renewable up to 24 months. The contract will be renewable subject to individual performance and project needs. The full-time position refers to 140 hours per month.

Research positions are primarily funded by the EC's Recovery and Resilience Plan for Cyprus, the National Promotion of Innovation and Research Foundation, the Ministry of Finance, the Central Bank of Cyprus, as well as other sponsors at the Economics Research Centre.

**DUTIES AND RESPONSIBILITIES:** The duties and responsibilities of the above position(s) are:

- Applied Econometrics with an emphasis on the development of models and tools for economic policy analysis.
- Programming using programming languages and software of e.g. MATLAB, R, SAS, STATA, GAUSS.
- Writing articles/reports to analyse and interpret the results and conclusions for policy analysis.

**QUALIFICATIONS:**

- Candidates should have an MSc degree in Economics, Econometrics, Finance, Statistics, Mathematics or other related fields.
- Strong econometrics knowledge.
- Related experience and publications will be considered as an advantage.
- Good knowledge of programming languages will be considered as an advantage.
- Experience in climate change will be considered as an advantage.
- Character integrity, confidentiality, organizational and administrative capacity, responsibility, initiative and ethics. High academic performance and appeal for research.

**EMPLOYMENT TERMS:**

The position is on a contract basis for 12 months, renewable for up to 24 months, subject to individual performance and project needs. The monthly gross salary is up to €1,500 depending on qualifications and experience (employee contributions will be deducted from this amount). The position does not include a 13<sup>th</sup> salary bonus.

Interested candidates should submit the following documents:

- Letter of interest for this position
- Detailed curriculum vitae in Greek or English
- Copies of transcripts and analytical grades
- The names of two academics or/and supervisors in case of policy institutions, from whom references may be requested

Applicants are invited to submit their application by the 10<sup>th</sup> of March 2023 at 14:00, at the following link: <https://applications.ucy.ac.cy/recruitment>.
