Dear Savvas

**ACCA Approved Employer status**

Further to our meeting on 11 March 2014, I am pleased to inform you that University of Cyprus, has retained its status as an ACCA Approved Employer. This covers:

- Professional Development Approval – for ACCA members continuing professional development.

The registration number for your organisation is 20656045. Please advise any trainees and members of this number to quote if required.

**ACCA Approval criteria**

As an Approved Employer, you have committed to meeting certain standards, as shown by the ACCA Approved Employer matrix. Please visit <http://www.accaglobal.com/content/dam/acca/global/pdf/approved-employer-matrix.pdf> for more information.

Please contact me if your organisational procedures change in a way which may affect the ACCA Approval criteria. If your organisational procedures do change, and you feel that your Approval for trainee development should be re-graded to a higher or lower level, please contact me.

## Employer Services

Please visit <http://www.accaglobal.com/en/employer.html> for a range of qualifications and employer specific services including information sheets on trainees, members and the approved employer scheme.

## CPD Records

As an ACCA Approved Employer – Professional Development ACCA members automatically meet their CPD requirements providing they follow the firm's performance management process. I reviewed the 2013 records for the ACCA members and they demonstrate that this has been undertaken.

## Renewal and monitoring

Renewal of Approved Employer status is required every three years and will be based on the statements of best practice in force at the time of renewal. ACCA Approved Employers will be monitored at least every six years, however if you require any further advice on training Chartered Certified Accountants please contact me on +44 141 534 4072 or e-mail: [craig.vickery@uk.accaglobal.com](mailto:craig.vickery@uk.accaglobal.com).

Finally, I would like to thank you for your involvement throughout this process and look forward to continuing to work with you in the future.

Yours sincerely
